

12CPRI4 - King Pebble, Java Grey

This large, flat pebble is great for a rugged, powerful look. Manufactured by the inventor of the mesh backed pebble tile, when installed there will be no visible joints across the surface. King Pebble is calibrated to be even underfoot. Whether for entrances or atriums, larger interior rooms, open-plan spaces, feature walls, courtyards, patio areas or pools...our King Pebble makes a big statement.
